Instruction manual

Waterside cottage

Waterside cottage

Before beginning to make...

1. Please prepare your own tools for building (needle, scissors, cutter, tweezers, etc.)
2. Please be sure to use the correct materials when cutting to avoid mistakes.
3. Please be aware that the color of the materials may differ from the photos in this manual.
4. An adult should be present if children are building.
5. Please test the operation of the LED light bulbs (A4) by referring to the image below.

DO NOT connect the cords directly to the batteries.

Lighting tests require connecting to the bottom of the pedestal of the A1 pedestal set. Please prepare batteries and a screw driver. **Connect the cords with the same colors.**

Warning

DO NOT plug any of the cords into power outlets.
