Cafe terrace at sunset

夕暮れのカフェテラス

Before beginning

1. An image of the completed model is shown on page 11 as reference while building.
2. Please prepare your own tools for building (scissors, cutter, tweezers, etc.)
3. Please be sure to use the correct materials when cutting to avoid mistakes.
4. Please be aware that the color of the materials may differ from the photos in this manual.
5. An adult should be present if children are building.
6. Please test the operation of the LED light bulbs (A3 and A4) by referring to the image below.

DO NOT connect the cords directly to the batteries.

Lighting tests require connecting to the power switch (A2). Please prepare batteries and a screw driver. **Connect the cords with the same colors.**

Caution DO NOT use any other switch besides the power switch included. Also, DO NOT plug any of the cords into power outlets.
