### Before beginning

1. An image of the completed model is shown on page 13 as reference while building.
2. Please prepare your own tools for building (scissors, cutter, tweezers, etc.)
3. Please be sure to use the correct materials when cutting to avoid mistakes.
4. Please be aware that the color of the materials may differ from the photos in this manual.
5. An adult should be present if children are building.
6. Please test the operation of the LED light bulbs (A3) by referring to the image below.

 DO NOT connect the cords directly to the batteries.

Lighting tests require connecting to the power switch (A2). Please prepare batteries and a screw driver. Connect the cords with the same colors.

**Caution**

DO NOT use any other switch besides the power switch included. Also, DO NOT plug any of the cords into power outlets.

*A stone-paved road*

The river near bridge  
flowing today.  
There are cobblestone slopes  
and streets just as before.  
When the scent of chocolate  
filled the street,  
the town begins to stir.
